

## PUBLIC NOTICE

The City of Carmi is notifying the general public that they have received funding for the Water System Improvements – 2020 project. Funding for the project has been made possible in part by the Illinois Environmental Protection Agency's Public Water Supply State Revolving Loan Fund, which receives a portion of its money from the U.S. Environmental Protection Agency. The \$1,294,859.14 loan has an interest rate of 0.93% and will be repaid over 30 years. \$647,429.57 of the loan amount will be forgiven by the State of Illinois pursuant to principal forgiveness provisions contained in the Loan Rules. The project will consist of replacing approximately 3,900 feet of existing aging watermain with new PVC watermain and appurtenances as well as construction of a pressure reducing station. The project will replace/rehabilitate the aforementioned aging and failing water system components to improve the infrastructure.
